The company's primary investors include Boston Scientific, Merck Global Health Innovation Fund, Vivo Capital and Novo Holdings A/S.

About Preventice Solutions

Preventice Solutions is a leading developer of mobile health solutions and remote monitoring services that connect patients threatened by cardiac arrhythmias. Using insights to create revolutionary monitoring technologies, this tech-enabled, service-based approach can ultimately reduce the cost of care and improve health outcomes. Preventice Solutions' wearable portfolio includes the PatientCare Platform and BodyGuardian ® family.
